Your choice for Lowdham Ward

- A record of action, a promise of more
- Listening and delivering for Lowdham Ward

ACTION FOR YOU ALL YEAR ROUND

On the District Council, we have delivered on every pledge that we made to you at the last election. It is important to us that we make specific commitments that mean something real and can be measured.

Whilst we work with the Police, County Council (roads) and Health Authorities, we would not pretend that we can change what they do other than through partnership activities.

We develop our commitments following the doorstep conversations that we have with you, opinion surveys and statistics to measure the success of the District.

Our full manifesto, and list of what we have done for you, can be found on our website.

You are voting for a Council that lasts 4 years.

YOUR LOCAL CONSERVATIVE CANDIDATE

TIM WENDELS

Tim is a Chartered Surveyor working in public service for 35 years. Tim lived in Lowdham with his family (wife Ange and daughters Abi and Jessie) for over 20 years. Tim has represented the Lowdham Ward for 7 years.

Tim has served Lowdham in a number of ways for many years including as Chairman of the Parish Council and Chairman of the Lowdham Primary School Governing Body ... also being

well known as the Quizmaster for over 10 years at the annual Brains of Lowdham Quiz.

Tim has campaigned hard for an improved flood protection scheme for Lowdham—a subject he knows well having suffered flooding himself. He has also been successful in getting the District Council to commit £200,000 towards making the scheme happen!

Tim has successfully defended the Green Belt around

Lowdham and got plans for housing on Magna Close dropped. Tim defended the Francklin Road car park from being built on and is now working to have it transferred to the Parish Council to protect the asset in perpetuity. Tim would love to continue to represent Lowdham Ward and, if elected, will work hard to ensure that the interests of residents continue to be championed.
