## Your local choice for Trent Ward

- **A record of action, a promise of more**
- **Listening and delivering for Trent Ward**

Including the villages of: **Averham, Bleasby, Fiskerton, Kelham, Morton, Rolleston, Staythorpe and Upton.**

## ACTION FOR YOU ALL YEAR ROUND

On the District Council, we have delivered on every pledge that we made to you at the last election. It is important to us that we make specific commitments that mean something real and can be measured.

Whilst we work with the Police, County Council (roads) and Health Authorities, we would not pretend that we can change what they do other than through partnership activities.

We develop our commitments following the doorstep conversations that we have with you, opinion surveys and statistics to measure the success of the District.

Our full manifesto, and list of what we have done for you, can be found on our website.

You are voting for a Council that lasts 4 years.

## YOUR LOCAL CONSERVATIVE CANDIDATE

### ROGER BLANEY

As your local Conservative councillor for Trent Ward since 1989, I am very aware of the issues that affect our individual villages. This has enabled me to represent you when and where it matters most.

I have resisted inappropriate development, secured an improved 7-day rail service at our village stations, ensured speedy action to remove

illegal fly-tipping and worked with others to deliver improved broadband throughout the Ward.

In May 2018, I stood down after 15 years as Deputy Leader and subsequently as Leader of the District Council and this has allowed me to commit even more time to focus on the needs of our villages. With your support on 2nd May, I will continue to do

so and to represent you and all the residents of Trent Ward for the next 4 years.

**Please remember: this election is to the District Council. It is not to the County Council or to Parliament. I live in Trent ward, I care for Trent Ward, I have represented Trent Ward. I ask for your vote on Thursday 2nd May. Thank you.**
