

# YOUR LOCAL CONSERVATIVES

- A record of action, a promise of more
- Listening and delivering for residents

## ACTION FOR YOU ALL YEAR ROUND

On the District Council, we have delivered on every pledge that we made to you at the last election. It is important to us that we make specific commitments that mean something real and can be measured.

Whilst we work with the Police, County Council (roads) and Health Authorities, we would not pretend that we can change what they do other than through partnership activities.

We develop our commitments following the doorstep conversations that we have with you, opinion surveys and statistics to measure the success of villages in our ward. Our full manifesto, and list of what we have done for you, can be found on our website.

You are voting for a Council that lasts 4 years.
